Main Terms & Conditions

Please be aware that we are a small, independent business and therefore the following policies are necessary to ensure our business stays viable and our staff and bills are paid. We thank you for your understanding.

We require a 50% deposit (or a valid voucher code) at the time of booking, with the remainder to be paid at the time of treatment. We regret that appointments will not be confirmed without a deposit. Appointments without a deposit may be removed from the diary.

Please give at least 24 hours notice if you need to cancel, postpone, rearrange or change an appointment. If you give less than 24 hours notice or fail to attend, we may not be able to refund or reallocate your deposit/voucher. In the event of frequent non-attendance or late cancellation we may request the full treatment cost as deposit.

We reserve the right to refuse to book or carry out a treatment where it would be potentially medically unsafe for us to do so. Please advise us at time of booking (or not less than 24 hours before your appointment) if you are pregnant or have a medical condition that may contraindicate your treatment. If you do not tell us until your appointment, and we are unable to carry out your treatment, we may not be able to offer an alternative treatment and you will still be charged for your appointment.

If you are driving please bear in mind that the city centre can get very busy, so please allow sufficient time to travel to us and park. If you arrive late for a treatment please understand that we may not be able to carry out part, or all, of the treatment(s) you are booked for. You will, however, be charged for the full treatment(s).

If it is your first appointment with us - or you have not visited for over 12 months - please arrive 10 minutes early to complete a consultation form. If you wish to complete one prior to your appointment and bring it with you, forms are available from Reception or on our website.

All clients having treatments marked with a † must have a patch test with us at least 24 hours before their appointment, regardless of whether they have had a similar treatment previously elsewhere.

We offer some treatments for young people age 6-18. Parental consent & attendance is essential for ages 6-16 and may be required for ages 16-18.

Back, neck & shoulder massage approx 30 mins; Full body massage approx 50 mins, unless otherwise stated. Full terms & conditions are available on our website.
